output
indicator

IP	ID	Output Indicator
11 ECT	4.1.1	Cross-border agreement and protocols signed
	4.1.2	Joint solutions increasing integration, coherence, harmonization of the Programme area governance

Compulsory
minimum
requirement

Each project shall mandatory contribute to the achievement of at least one of the addressed indicators

Ref. documents for the better understanding of the meaning of the indicator and for the type of actions to be implemented are the **Cooperation Programme (CP)** and its **ANNEX IX**.

Financial allocation, project dimension and duration

Programme PA	Programme IP	Programme SO	MAXIMUM Allocation (€)	ERDF Reccomended MAXIMUM ERDF project dimension (€)
1	1b	1.1.	4.414.698,58	750.000,00
3	6d	3.2.	2.504.198,16	700.000,00
	6f	3.3.	1.693.925,67	750.000,00
4	11 ECT	4.1.	3.133.136,51	750.000,00
TOTAL			11.745.958,92	

MAX project duration
24 months

Who can apply

Type of applicants:

- LP/PP in programme area.
- PP outside the Programme area (limited to the territory of one of the following NUTS2 regions: Veneto, Slovene Western and Eastern Cohesion Regions).
- Associated partners (NO financial allocation).

Only actors located in the Programme area can act as Lead Partner.
Lead Partner can be both public or private body.

Recommended partnership size >>> **max 6 PP**

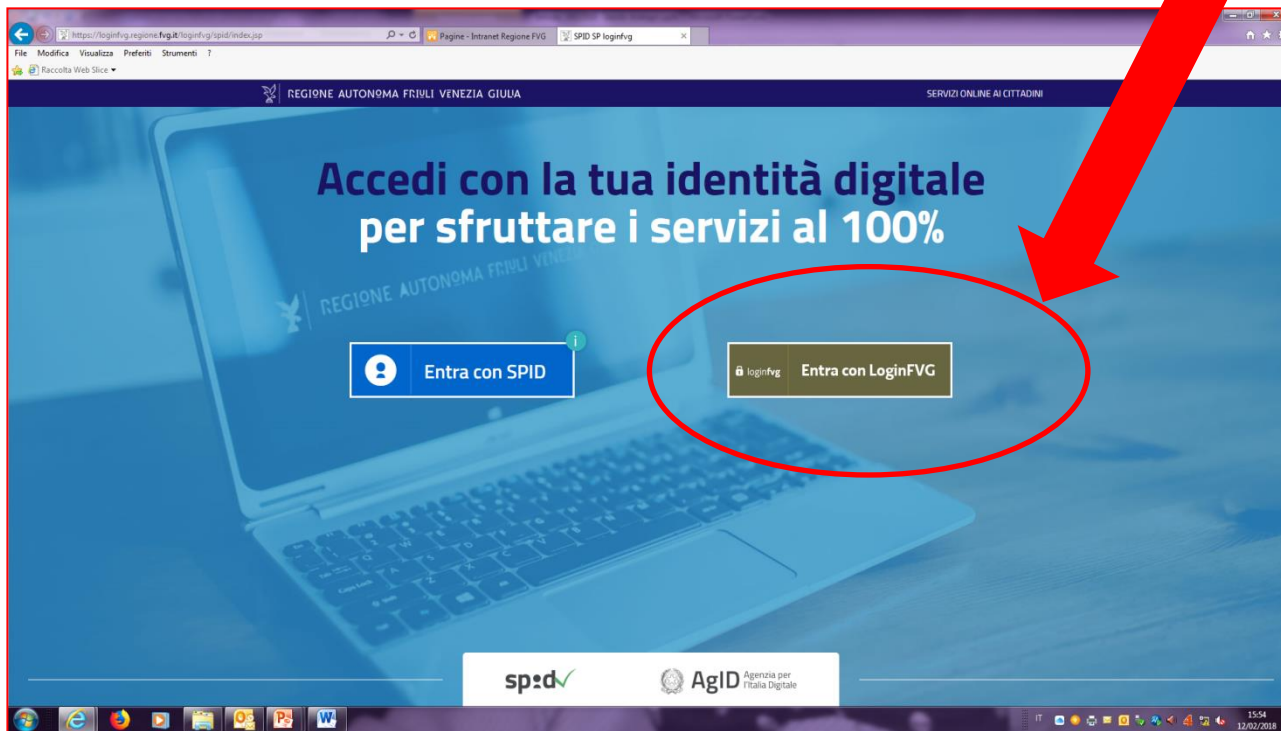

(for the max. size are not counted partners outside programme area and associated)

ERDF financial allocation to each PP not lower than EUR 100.000,00

Who can apply

- **Partners located outside the Programme area** (NUTs2 Regions: Veneto, Slovene Western and Eastern Cohesion Regions) are eligible provided that:
 - they bring an **added value** for the implementation of the project and are tightly linked to the project strategy;
 - they are for the **benefit of the Programme area**;
 - they are **explicitly foreseen** in the project proposal;
 - the total amount of ERDF funds allocated under the Programme to partners located outside the Programme area does **not exceed 20 % of ERDF**, at project level;
 - at the time of submission, the same PP shall **submit the documents requested by the call**, i.e. besides the signature on Partnership Agreement, its own Statement, a self-declaration for confirmation on its legal status on the template published on the Programme website.

Applicants must compulsary applicate on the Online Platform

LP must register on the LoginFVG (strong login)
Only LP shall upload/submit the complete application on behalf of the whole partnership

The on line electronic application form

- Sections A, B, C to be completed directly in the online system
- Annex A (available in section A of the on line system)
- Financial plan (excel available in section A of the on line system)
- Annex B (available in section B of the on line system)

Mandatory Annexes ref. Call - section 4.1

- Partnership Agreement
- LP Statement
- PP Statement
- Delegation for data verification
- A self-declaration for outside Programme area PPs
- Declaration on financial capacity (for private profit PP only)
- Documents related to the Infrastructural Investments/works

Annexes must be signed by the legal representative of the LP or PP, digitally or manually

WARNING!

If the following documents are not submitted or are incomplete, the application shall be considered ineligible without possibility of integration:

- **LP Statement (Annex VI)**
- **PP Statement (Annex VII)**
- **Partnership Agreement (Annex V)**

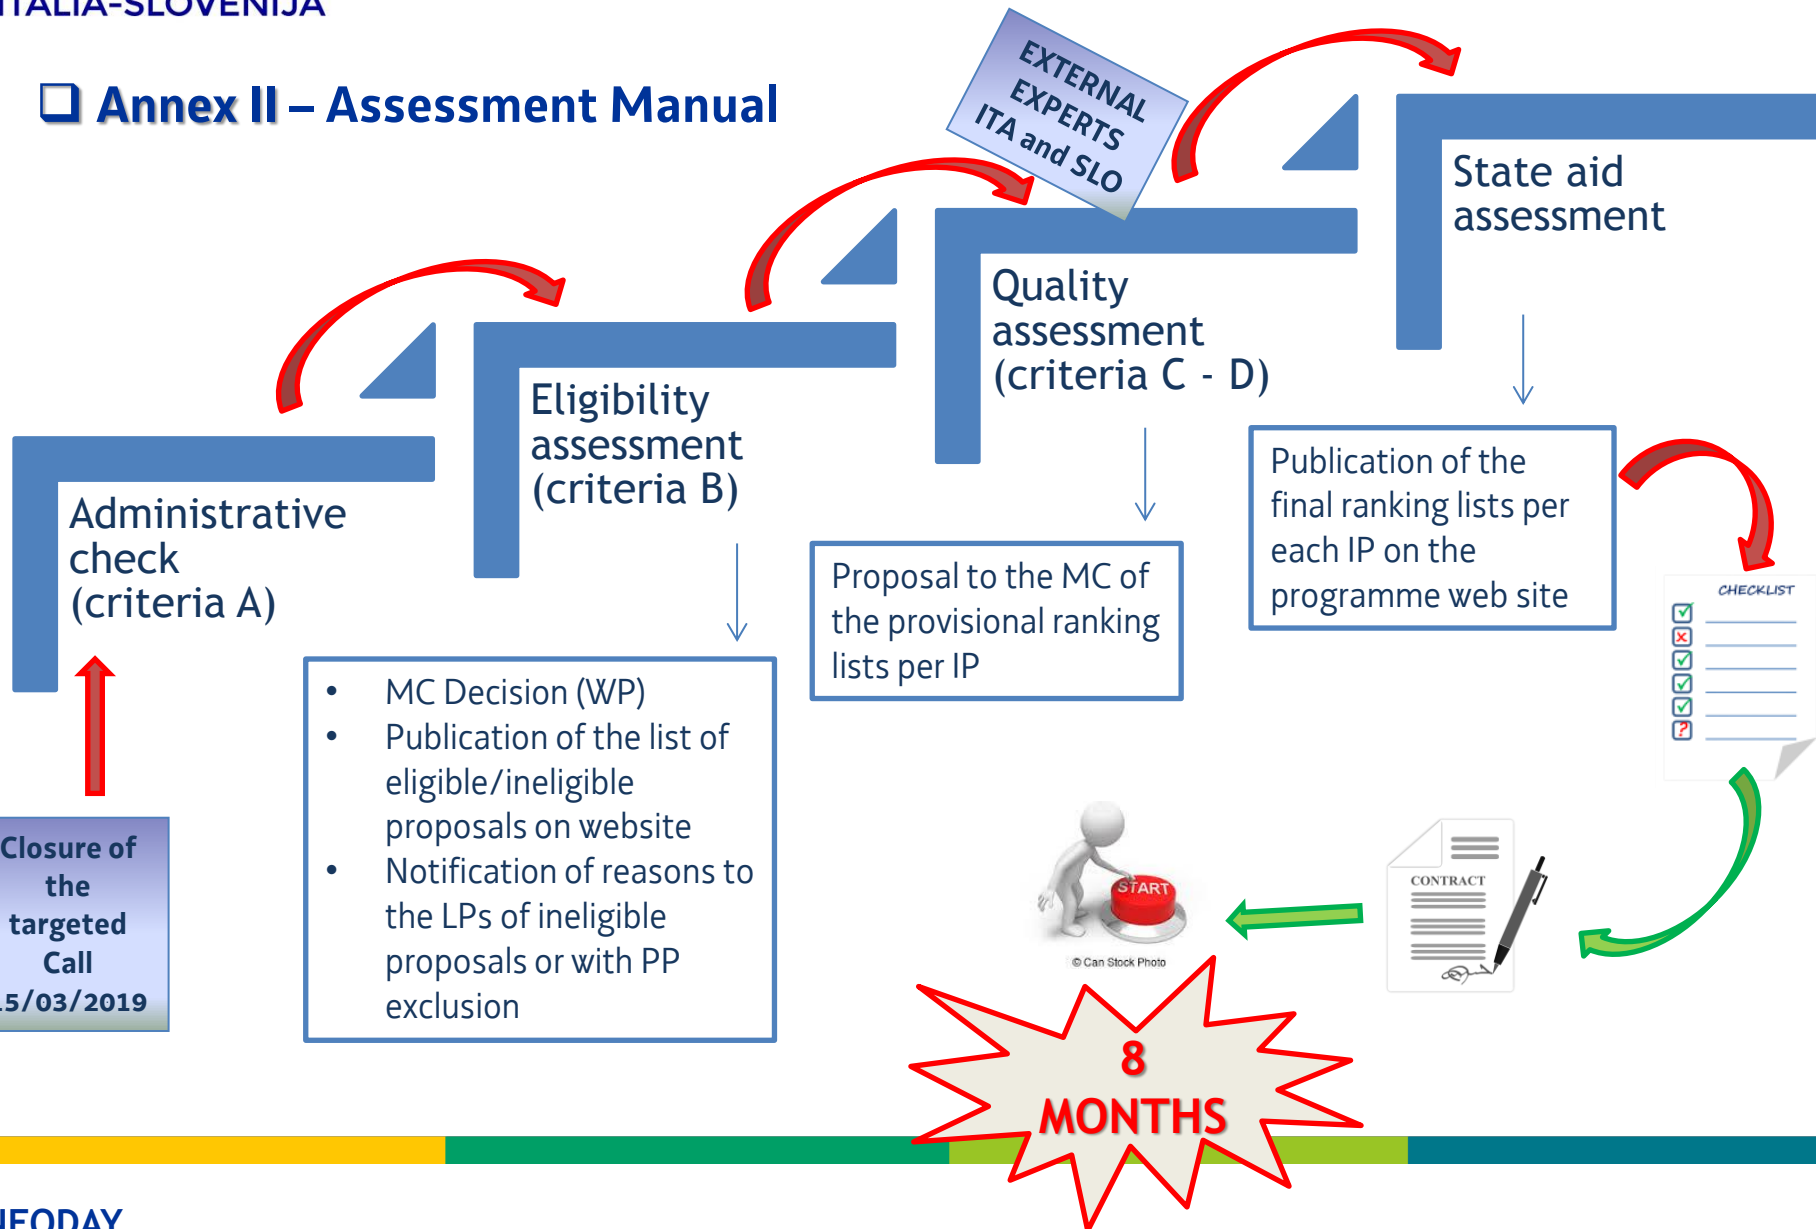

WARNING!

In the case of **Infrastructural Investments and works**, mandatory documents are:

- a) A report describing the investment;
- b) The list of needed documents/authorizations;
- c) The needed documents/authorizations (*the investment must be ready to go!*).

In exceptional duly communicated cases of unavailability of all or part of documents/authorizations at the time of submission, it has to be presented at application **the evidence of having submitted the request** to the issuing institution for the needed authorization/permission etc.
