

Event name	Topic/event type	Date	Partner	Place	Target participant
Meeting with the Venetian beekeeping associations	Presentation of electronic hives and experimental cultivation of Silphium	14/07/21	PP1 – VENETO AGRICOLTURA	Demofarm »Vallevecchia« Caorle (Venice)	Beekeepers
Varroa control: different summer brood blocking methods	Illustration of the »brood blocking technique« and electronic hives	04/08/21	PP1 – VENETO AGRICOLTURA	Demofarm »Vallevecchia« Caorle (Venice)	Beekeepers, agricultural technicians
»BeeDiversity« presentation	European Cooperation Day	21/09/21	PP1 – VENETO AGRICOLTURA	Web presentation	Technicians, Policy maker, Technician of other Interregg Project
»BeeDiversity« presentation	Presentation of the project and the monitoring actions for bees	09/11/21	PP1 – VENETO AGRICOLTURA	Fiera B/Open Veronafiere	Organic farmers and beekeepers
»BeeDiversity« presentation	Validation and training on beehive survey card / APP	03/03/22	PP1 – VENETO AGRICOLTURA	FIERA AGRICOLA VERONA Veneto Region Stand	Technicians of Veneto beekeeping associations
»BeeDiversity« presentation	Video TV RAI 3 »BeeDiversity« presentation Best Practice and first result	20/04/22	PP1 – VENETO AGRICOLTURA	Demofarm »Vallevecchia« Caorle (Venice)	Technicians of Veneto beekeeping associations, Policy maker, and other stakeholder
»BeeDiversity« presentation	Presentation of electronic hives and experimental cultivation of Silphium	05/05/22	PP1 – VENETO AGRICOLTURA	Demofarm »Vallevecchia« Caorle (Venice)	Technicians of Veneto beekeeping associations,
First operational activities in the apiary, what to do when the bees resume activity?	Control brood, stock, queen, etc.	06/05/22	PP1 – VENETO AGRICOLTURA	Marcon (VE) Oasi di Gaggio	Beekeepers (in collaboration with the »APAT« beekeepers association)
»BeeDiversity« presentation	Presentation of electronic hives, good practice and APP	31/05/22	PP1 – VENETO AGRICOLTURA	CAORLE CA' CORNIANI and Demofarm »Vallevecchia« Caorle (Venice)	technicians and beekeepers, Policy maker, technicians of Veneto Region, FVG, Slovenia, ecc.
»BeeDiversity« Final Meeting	Activity report off the Project	31/08/22	PP1 – VENETO AGRICOLTURA	Demofarm »Vallevecchia« Caorle (Venice)	Partners of the Project
»BeeDiversity« presentation	15 Bees technical Bulletin	2021-2022	PP1 – VENETO AGRICOLTURA	Veneto Agricoltura Agripolis - Legnaro	technicians and beekeepers (In collaboration with Istituto Zooprofilattico IS2Ve, Padua)
Rete Natura 2000, sistemi agro-zootecnici e biodiversità	12 webinars on biodiversity and good practices in apiculture and agriculture	18/1/22-26/4/22	PP2-PP3 Polo Tecnologico Alto Adriatico -Università degli Studi di Udine – Dipartimento di Scienze AgroAlimentari Ambientali e Animali	on line (available registrations on youtube <a href="https://www.youtube.com/playlist?list=PLJ9xn0eU5enVj8K6oxTOCeo3mdyqFHA">https://www.youtube.com/playlist?list=PLJ9xn0eU5enVj8K6oxTOCeo3mdyqFHA</a> )	beekeepers, experts, farmers, academic, general public
PLANTING HONEY PLANTS	workshop	26/03/22	PP4 - BSC Kranj	in front of the apiary in Zdraviliške park in Bled	general public
Making markers of honeydew herbs and perennials	workshop	30/06/22	PP4 - BSC Kranj	Bled	general public
Bees and bumblebees	workshop	08/10/21	PP4 - BSC Kranj and the Center for Sustainable Rural Development Kranj	area of the Bobovek lakes	general public
Sonar creativity as an innovative method learning and discussions about the importance of bees for biodiversity	workshop	14/12/21	PP4 - BSC Kranj and the Center for Sustainable Rural Development Kranj	Intergenerational Center NaKlo	general public
»Garden of flavors«	workshop	17/01/22	PP4 - BSC Kranj and the Center for Sustainable Rural Development Kranj	Home of the locals of Kokrica near Kranje	general public
Without bees, there is no biodiversity important for natural food self-sufficiency	workshop	08/03/22	PP4 - BSC Kranj and the Center for Sustainable Rural Development Kranj	Intergenerational Center NaKlo	general public
Bees, biodiversity and their meaning for conservation sources of wild food and honeydew plants, in the case of cypress trees	workshop	07/04/22	PP4 - BSC Kranj and the Center for Sustainable Rural Development Kranj	Grad Dvor, Preddvor (Dvorski trg 6)	general public
Biodiversity with bees as a factor of alternative agricultural production, self-sufficiency and nature conservation - on the example of hemp, local nutrition and nature conservation along the Sava River	workshop	08/10/22	PP4 - BSC Kranj and the Center for Sustainable Rural Development Kranj	field workshop by the Sava river between the villages of Drolovka and Jama	general public
Presentation Bee-diversity project on 3rd World bee day	Presentation of the project, the bees to the visitors of the garden and hybrid lecture on bees and beehives was held.	20/05/21	PP5 – BIOTECHNICAL FACULTY UNIVERSITY OF LJUBLJANA, SLOVENIA	The Botanical garden University of Ljubljana	The general public, students
Lecture on how to keep biodiversity meadow	Education about how to determine what kind of meadow do you have, when to mow grass, what kind of money support can you get by maintaining biodiversity meadow	15/10/21	PP5 – BIOTECHNICAL FACULTY UNIVERSITY OF LJUBLJANA, SLOVENIA	The hall of Biotechnical faculty – The department for Biology	Students of agriculture, farmers, beekeepers, Rural youth association of Slovenia
Meeting with beekeepers	Present our project and incoming application, how to observe/measure biodiversity, green infrastructure, competencies needed by beekeepers to effectively promote biodiversity and protect pollinators	15/11/21	PP5 – BIOTECHNICAL FACULTY UNIVERSITY OF LJUBLJANA, SLOVENIA	On-line	Beekeepers Association of Slovenia, beekeepers, municipality of Kranj, Ljubljana, Bled and Radovljica
Meeting - workshop with government organisations for protecting nature and environment	Discussion about how to be more efficient in biodiversity conserving, sharing the result of our project, implementation results of projects, talk about challenges in agriculture - expert advice and assistance to farmers to switch to more nature-friendly farming, represent our guide book of good practices for biodiversity enhance	01/12/21	PP5 – BIOTECHNICAL FACULTY UNIVERSITY OF LJUBLJANA, SLOVENIA	On-line	Ministry of forestry and agricultural, agency for environment, the ministry for environment, agricultural institute of Slovenia, agricultural advisory service, beekeeping association of Slovenia, Rural youth association of Slovenia
Presentation of our project application and our guidebook of good practices to enhance biodiversity	Content of our project, results, how to use application and how we can implement good practices from the guidebook	18/03/22	PP5 – BIOTECHNICAL FACULTY UNIVERSITY OF LJUBLJANA, SLOVENIA	ApiSlovenia fair Celje	Beekeepers, farmers, Rural youth association of Slovenia, the general public
Lecture on wild pollinators, biodiversity and Lecture on autochthonous honey plants	Life habits and need of wild pollinators. Species of Slovenia autochthonous plants, places where they grow and how to maintain meadow to preserve these plants	30/03/22	PP5 – BIOTECHNICAL FACULTY UNIVERSITY OF LJUBLJANA, SLOVENIA	Brdo estate Kranj	The general public, beekeepers
The use of honey plants in agriculture and animal feed	Which honey plant species are good for animal food, how on-field combine grass and honey plant to produce quality food for animals, other uses honey plants in agriculture	15/05/22	PP5 – BIOTECHNICAL FACULTY UNIVERSITY OF LJUBLJANA, SLOVENIA	Agricultural and forestry cooperative Sloga Kranj	Beekeepers, farmers, Rural youth association of Slovenia
Lecture on biodiversity conservation in agriculture and obtaining government funds	Which activities protect and enhance biodiversity and for which activities you can receive funds from the government	15/07/22	PP5 – BIOTECHNICAL FACULTY UNIVERSITY OF LJUBLJANA, SLOVENIA	Agricultural and forestry cooperative Sloga Kranj	Beekeepers, farmers, Rural youth association of Slovenia
See colourful meadow	Education on the field, knowing meadow flowering species and pollinators, how to maintain the species rich meadow	30/4/22, 15/6/22, 30/07/22	PP5 – BIOTECHNICAL FACULTY UNIVERSITY OF LJUBLJANA, SLOVENIA	On the meadow of Botanical garden of University of Ljubljana	Beekeepers, farmers, Rural youth association of Slovenia
Exhibition of species-rich meadows	Picture of well-conserved meadows, their plant species and their pollinators	from 15/9/2021 to 31/11/2021	PP5 – BIOTECHNICAL FACULTY UNIVERSITY OF LJUBLJANA, SLOVENIA	The hall of Biotechnical faculty – The department for Biology	The general public, students
