

9th of September 2019 at Ca' Foscari Challenge School, Experteam srl, partner of the project **"TRAIN-BIG DATA AND DISEASE MODELS: A CROSS-BORDER PLATFORM OF VALIDATED KITS FOR THE BIOTECH INDUSTRY"** supported by Interreg V-A Italia-Slovenia 2014-2020 programme, is going to organize a workshop: "Publication and transfer of knowledge and technologies to promote exchange between biotech companies", this event aims at providing a platform to showcase the biotech expertise present in our region, share ideas and meet new potential partners.

6 Companies coming from different areas of the Programme, including Veneto, Friuli Venezia Giulia and Slovenia, will present their activities ranging from the pharmaceutical sector to health, wellness and diagnostics. Companies will address the topics of the opportunities to transfer technology in the field of biotechnology and they will share mutual knowledge with the final update of new project networks and transferring skills.

**9th September 2019, 2 pm**  
Room # HASH  
Ca' Foscari Challenge School  
Via della Libertà 12, 30175 Venice (Vega Park)

Participation is free and open

## EXPERTEAM-TRAIN WORKSHOP :

# PUBLICATION AND TRANSFER OF KNOWLEDGE AND TECHNOLOGIES TO PROMOTE EXCHANGE BETWEEN BIOTECH COMPANIES

9th of September 2019, at 2 pm  
*Room # HASH*

*Ca' Foscari Challenge School*  
*Via della Libertà 12, 30175 Venice (Vega Park)*

- 14:00-14:20** **Company presentation and presentation of in progress projects**  
Experteam srl
- 14:20-14:40** **Microbiome analysis and its applications in health and wellness**  
Giorgio Valle - BMR Genomics
- 14:40-15:00** **From Biotech to Ribes- Nest network**  
Alfonsa Martelli - Ribes-Nest
- 15:00-15:20** **Biosimilars: from research to production**  
Kevin Ainger - Serichim-UDINE
- 15:20-15:40** **Coffe break**
- 15:40-16:00** **Healthcare & Biotechnology**  
Mojca Cvirn - Technology Park Ljubljana-SLOVENIA
- 16:00-16:20** **Regenerative veterinary medicine: from a university spin-out to routine clinical use**  
Luka Mohorič - Animacel Ltd-SLOVENIA
- 16:20-16:40** **Innovative technologies for sustainable biobased materials**  
Valentina Beghetto - Crossing srl
