Sviluppo di ecosistemi e catene di valore dell'innovazione:
supportare l'innovazione transfrontaliera attraverso le Industrie
Creative.

Razvoj inovacijskega ekosistema in verig vrednosti: podpiranje
čezmejnih inovacij s pomočjo ustvarjalnih industrij

DIVA HUB

Martina Golob, Arctur d.o.o.

Presentazione dei progetti pilota, 14 settembre 2021

Eco-Sistema innovativo

L'obiettivo strategico è la creazione di un **ecosistema innovativo transfrontaliero**.

Sostenibilità sarà garantita da
DIVA HUB.

Maggiori informazioni:
diva-borderless.eu

Contatto:
info@diva-borderless.eu

Sono stati istituiti tre DIVA HUB regionali.

Nelle regioni Veneto e Friuli Venezia Giulia sono stati costituiti hub virtuali: Virtual HUB FVG e Creative HUB Veneto.

Il DIVA Hub sloveno è composto da varie unità situate in luoghi diversi ma connesse e complementari tra loro: **Arctur Future Space, Ekscenter, PTP KREApoint, Creative kamRRA, GZS creative room, Creative Factory TPLJ.**

DIVA HUB servizi e supporto

- **Hub - spazio di incontro e co-creazione**
- **Ruolo del “supervisor” / Innovation Catalyst**
 - supporto e consulenza sulla gestione e rendicontazione del progetto
 - consulenza „Art-Biz“ di co-creazione e innovazione congiunta
- **Servizi offerti**
 - project supervising: consulenza e supporto
 - 4PM web app per gestione del progetto
 - supporto legato alla disseminazione

Presentazione 4PM - servizi DIVA HUB

4PM – Informazioni sul supporto

- Multi-utente, multi-progetto ONLINE APP per gestione progetto (4PM = for project management)
- Supporto per la gestione progetto dalla proposta alla realizzazione e archiviazione.
- Interfaccia “friendly user” offre un supporto ai team internazionali (disponibile anche in lingua italiana)

4PM - Funzionalità

- Gestione documenti (accesso e scambio online, versioni del documento e accessibilità della cronologia).
- Gestione attività' del progetto (compiti, eventi, incontri, traguardi e comunicazione).
- Gestione comunicazione sul progetto.

Overview of milestones assigned for the project. To modify the overview use filters. Milestones status can be monitored (assigned, accepted, done). Done milestones can be confirmed or rejected. Use icon set milestones actions.

Phase	Work type	Milestone description	Due date	Organization	Assignee	Assigned by	Status	
WP1	Handbook	D 1/1 Project Handbook The Project Handbook will contain details as to how the project will be managed, communication patterns between partners, project and meeting schedule, contact details of consortium partners, and a copy of the key elements of the SME/HPC. In essence the Project Handbook will also be the project's Quality Manual. Each of the consortium partners will receive an electronic version and hard copy of the Project Handbook.	30.11.2017	WIT	William O'Gorman	4PM Support	uncon	
		D 1/2 - Steering Committee Meetings The Steering Committee will meet six times in the course of the project to discuss all relevant topics related with SME/HPC. One meeting will be organized by participating HEIs in their countries. The kick-off meeting (Month 1) will be organised in Ireland by P1 (WIT). The location of the following meetings will be agreed upon during the kick-off meeting. Each meeting will have an agenda item devoted to i.) assessing the project results and progress toward the project's objectives ii.) financial management	30.11.2017	WIT	William O'Gorman	4PM Support

Eleonora Cavallero Brambilla 1.3.2021 09:26	For task-specific comments refer to Tasks & Milestones tab.	
William O'Gorman 19.8.2019 18:16	Hello all, We should organise a Skype call within the next couple of days to discuss WP2, WP3 and WP8. Thanks, Bill	
Martina Golob 30.5.2018 11:25	Dear all, I uploaded two existing documents/files on 4pm, in WP7 and WP8 folder. In this occasion I would like to encourage all of you to upload regularly documents, also draft versions, on 4pm. This will help us to have better overview of the progress of project activities and improve our communication. Kind regards, Martina from Arctur	
William O'Gorman 16.4.2018 16:34	Hello Markus, Biljana, Borut and Tamara, This is as much a test message as it is a follow up message. We should organise a Skype call within the next couple of days to discuss WP2, WP3 and WP8. I will send you another comment/message tomorrow (Tues) to agree a day and time for this Skype call. Thanks, Bill	
William O'Gorman 16.4.2018 16:23	Hello all, Let's start and continue to use 4PM for all our communications from here on.	

4PM - Risultati

- Team più produttivi e collaborativi.
- Efficace gestione finanziaria del progetto.
- Gestione trasparente delle attività del progetto.
- Visualizzazione completa su tutti i risultati raggiunti e le attività concluse.
